Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified, the candidate must demonstrate evidence of performance of the following on at least two occasions.

- expressing and seeking advice on professional issues and dilemmas
- demonstrating confidence and assertiveness to apply protocols in work performance
- undertaking research to identify and use professional resources, associations and networks
- applying codes of ethics and conduct to situations involving:
    - potential conflicts of interest
    - conflict between client requirements and ethical standards
    - differences in expectations caused by cultural practices or customs
    - dilemmas caused by tensions between personal and professional standards of practice and values
    - maintaining knowledge of ethical and professional issues and requirements

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified, the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- industry standards of ethical behaviour relating to practice
- networks relevant to own professional practice
- professional techniques, strategies and responsibilities of translators and interpreters
- types and sources of professional resources
- situations posing dilemmas and their implications for decisions
- relevant professional codes of ethics and conduct

Assessment Conditions

Assessment of this unit of competency must include use of scenarios, case studies, experiences or relevant examples of interactions with colleagues and clients that demonstrate addressing problems related to ethical decision making.

Consideration must be given to holistic assessment for this unit. Refer to advice in the Companion Volumes.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
