Assessment Requirements for PSPWPI006 Manage emerging issues

Release: 1

Assessment Requirements for PSPWPI006 Manage emerging issues

Modification History

Release	Comments
1	<p>These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages.</p> <ul style="list-style-type: none">Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- conducting research and analysis
- conducting evaluations
- communicating with audiences, requiring adaptation of style and language
- questioning to confirm understanding
- interpreting complex information
- preparing written reports requiring formal structure and language
- managing emerging issues in 3 or more contexts or on 3 or more occasions

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- work health and safety, workers compensation, injury management and/or workplace relations legislation
- organisational policy and procedures
- industry standards
- codes of practice

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
