1	PSP12 V1	New skill set.

Description

Not applicable.

Pathways Information

The competencies serve as a foundation for government qualifications, and as an introduction for managerial roles/lateral entrance into the sector. Completion of this skill set contributes to most Diploma level Government generalist and specialist qualifications.

Licensing/Regulatory Information

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

Skill Set Requirements

Units		
Units	PSPETHC501B	Promote the values and ethos of public service
	PSPGOV505A	Promote diversity
	PSPGOV512A	Use complex workplace communication strategies
	PSPLEGN501B	Promote compliance within legislation in the public sector

Target Group

This skill set is for those embarking on management roles within in the Public Sector. Units cover the essential skills and knowledge required of those public sector managers who are new to the role of managing people and/or resources in the public sector environment. These competencies provide an overview of the sector, an understanding of core public sector values, principles, diversity and legislation requirements, appropriate communication strategies, and expectations relating to promotion and adherence to those requirements.

Suggested words for Statement of Attainment

These units meet industry requirements for those people working in the Public Sector environment.
