Employability Skills Summary

Employability Skills Summary for PUA31806 Certificate III in Public Safety (Defence Public Affairs)

Employability Skills are part of a unit of competency.

Employability Skills statements from a selection of units of competency from the PUA31806 Certificate III in Public Safety (Defence Public Affairs) have been reproduced in the table below.

This table provides an example of Employability Skills for the qualification because Employability Skills within a qualification will vary depending on the qualification packaging options.

<p>Public Safety qualifications have core units (which must be achieved) and elective units (where there is a choice of units which must be achieved) so different Employability Skills Summaries are possible within the one qualification, depending on the package of core units and chosen elective units.</p> <p>Employability Skill</p>	<p>Employability Skills Statement</p>
<p>Communication</p>	<ul style="list-style-type: none"> • communicate on a range of possible organisational responses to clients in a timely manner • deal with stakeholders in line with ethical and professional standards to develop trust and mutual understanding • develop working relationships with stakeholders and use in a way that provides identifiable benefits to the organisation and the community from shared expertise and resources • exercise courtesy, consideration and sensitivity with clients • follow procedures for dealing with difficult clients • interact with internal and external clients • locate, interpret and provide relevant information to requests • manage information to support the achievement of the organisation's objectives • obtain, complete and process all necessary documentation
