Employability Skills Summary

Employability Skills Summary for PUA32809 Certificate III in Public Safety (Preventive Health)

Employability Skills are part of a unit of competency.

Employability Skills statements from a selection of units of competency from the PUA32809 Certificate III in Public Safety (Preventive Health) have been reproduced in the table below.

This table provides an example of Employability Skills for the qualification because Employability Skills within a qualification will vary depending on the qualification packaging options.

Public Safety qualifications have core units (which must be achieved) and elective units (where there is a choice of units which must be achieved) so different Employability Skills Summaries are possible within the one qualification, depending on the package of core units and chosen elective units. Employability Skill	Employability Skills Statement
Communication	<ul style="list-style-type: none"> • communicate technical information relating to environmental health to non health personnel to gain their support of environmental health activities • compile and submit reports and returns to relevant persons, to assist with health surveillance at the organisational level • formulate and discuss environmental health advice with stakeholders to fully develop environmental health measures and to ensure coordination with other local activities • gather and communicate information in support of environmental health planning to team leader • regularly update and communicate information on workplace OHS legislation, codes, standards, policies and procedures relevant to self and other employees

Packaging Rules

Qualification Requirement: 18 units

All 3 core units, plus 9 units from the specialisation elective units listed below, plus 3 units from the occupational health and safety elective units listed below, plus 3 units from the general elective units listed below

The general elective units may be taken from the remaining specialisation or occupational health and safety elective units listed below, the general elective units listed below, or may include 2 units taken from within this Training Package or any other endorsed Training Package at the same qualification level or a higher level.

Code	Core Units
PUADEFPH001A	Contribute to environmental health operations
BSBOHS301B	Apply knowledge of OHS legislation in the workplace
BSBWOR301A	Organise personal work priorities and development
Code	Specialisation Elective Units
HLTDEFHC406A	Participate in deployed health capability
HLTPOP321B	Assist with monitoring food storage and handling procedures in the community
NWP210B	Perform basic water quality tests
NWP218B	Perform and record sampling
PRMPM02B	Assess pest management options
PRMPM05B	Modify environment to manage pests
PRMPM06B	Apply pesticide to manage pests
PRMPM07B	Implement a pest management plan
PRMPM09B	Advise client on pest management options
PRMPM11B	Conduct fumigation
PUADEFPH002A	Assist with quick assessment of disease outbreak
PUADEFPH003A	Operate environmental measuring devices
PUADEFPH004A	Undertake a vector borne diseases surveillance program
PUADEFPH005A	Assist with field hygiene and sanitation

Code	Core Units
PUADEFPH006A	Monitor water handling and distribution practices
PUADEFPH007A	Conduct chlorine dosing of water at the point of supply
Code	Occupational Health and Safety Elective Units
BSBOHS302B	Participate effectively in OHS communication and consultative processes
BSBOHS303B	Contribute to OHS hazard identification and risk assessment
BSBOHS304B	Contribute to OHS hazard control
BSBOHS305B	Contribute to OHS issue resolution
BSBOHS306B	Contribute to implementing emergency prevention activities and response procedures
BSBOHS307B	Participate in OHS investigations
Code	General Elective Units
BSBFLM303C	Contribute to effective workplace relationships
BSBFLM312B	Contribute to team effectiveness
BSBINM301A	Organise workplace information
BSBSUS201A	Participate in environmentally sustainable work practices
BSBWOR301A	Organise personal work priorities and development
BSBWRT301A	Write simple documents
CPCCVE1001A	Undertake a basic construction project
FDFOPTISP2A	Implement sampling procedures
HLTFA301B	Apply first aid
MEM18001C	Use hand tools
MEM18002B	Use power tools/hand held operations
PUACOM002B	Provide services to clients
PUAOPE004B	Conduct briefings/debriefings

Code**Core Units****NOTES**

BSB units have been imported from the BSB07 Business Services Training Package.

CPC unit has been imported from the CPC08 Construction, Plumbing and Services Integrated Framework Version 1.

FDF unit has been imported from the FDF03 Food Processing Industry Training Package.

HLT units have been imported from the HLT07 Health Training Package.

MEM units have been imported from the MEM05 Metal and Engineering Training Package.

NWP units have been imported from the NWP07 Water Training Package.

PRM units have been imported from the PRM04 Asset Maintenance Training Package.

Information about customising PUA00 Public Safety Training Package qualifications is on page [12](#).
