Employability Skills Summary

Employability Skills Summary for PUA51509 Diploma of Public Safety (Military Leadership)

Employability Skills are part of a unit of competency.

Employability Skills statements from a selection of units of competency from the PUA51509 Diploma of Public Safety (Military Leadership) have been reproduced in the table below.

This table provides an example of Employability Skills for the qualification because Employability Skills within a qualification will vary depending on the qualification packaging options.

Public Safety qualifications have core units (which must be achieved) and elective units (where there is a choice of units which must be achieved) so different Employability Skills Summaries are possible within the one qualification, depending on the package of core units and chosen elective units. Employability Skill	Employability Skills Statement
Communication	<ul style="list-style-type: none"> • clearly explain to the work group the organisation's occupational health and safety policies, procedures and programs • consult team members to establish a common understanding of team purpose, roles, responsibilities and accountabilities • establish and maintain open communication processes with all stakeholders • interpret written and verbal information about workplace requirements
Teamwork	<ul style="list-style-type: none"> • develop performance plans to establish expected outcomes, outputs, key performance indicators and goals for work team • develop strategies to ensure team members have input into planning, decision making and operational aspects of work team • encourage and assist team members to contribute to the management of occupational health and safety at the workplace

Problem solving	<ul style="list-style-type: none">• evaluate and take necessary corrective action regarding unresolved issues, concerns and problems raised by internal or external stakeholders• identify hazards and assess risks in the work area• promptly deal with issues raised through consultation• support the team in identifying and resolving work performance problems
Initiative and enterprise	<ul style="list-style-type: none">• take initiative to prioritise and facilitate competing demands to achieve personal, team and organisational goals and objectives
Planning and organising	<ul style="list-style-type: none">• establish team performance plan• keep team on track and focussed on work outcomes• provide advice on occupational health and safety training needs of individuals and workgroup• set and meet own work priorities
Self-management	<ul style="list-style-type: none">• ensure own contribution to work team serves as a role model for others and enhances the organisation's image for all stakeholders• maintain appropriate work-life balance, and ensure stress is effectively managed and health is attended to
Learning	<ul style="list-style-type: none">• identify, evaluate, select and use development opportunities suitable to personal learning style/s to develop competence
