## PUADEFCA409B Operate a shotgun

### Modification History

Not applicable.

### Unit Descriptor

#### Unit Descriptor

This unit covers the competency required to operate a *shotgun*.

Operating a shotgun involves the ability to safely handle, safely maintain, safely operate and safely fire the shotgun.

The individual will be under supervision, usually as part of a team and will usually operate under direct orders.

### Application of the Unit

#### Application of the Unit

The application of this unit in the workplace - the environments, complexities and situations involved - will be written during Phase II of the Review of the PUA00 Public Safety Training Package.

This text will be useful for the purposes of job descriptions, recruitment advice or job analysis; where possible, it will not be too job specific to allow other industries to import it into other Training Packages, where feasible.

### Licensing/Regulatory Information

## **Evidence Guide**

### **EVIDENCE GUIDE**

|

## EVIDENCE GUIDE

### **Critical aspects for assessment and evidence required to demonstrate competency in this unit**

Assessment must confirm the ability to conduct all weapon drills as listed in the Range Statement; to fire the weapon; and to recognise the limit of own authority.

Assessment must also confirm that operators meet the specified minimum requirements as laid down by the relevant Service Chief.

### **Consistency in performance**

Competency should be demonstrated on a live firing range.

### **Context of and specific resources for assessment**

#### **Context of assessment**

Competency should be assessed using live ammunition on a live firing range.

Note: In Defence the assessment and training are conducted in accordance with the current weapons pamphlet. This would include 'dry' assessment to ensure that a safe environment is maintained.

#### **Specific resources for assessment**

Access to a shotgun, ammunition and a live firing range.

### **Guidance information for assessment**

Information that will assist or guide assessment will be written during Phase II of the Review of the PUA00 Public Safety Training Package.
