PUASS00031 Beach Safety and Risk Management

Release: 1

PUASS00031 Beach Safety and Risk Management

Modification History

Not applicable.

Description

Not applicable.

Pathways Information

These units contribute to the PUA42610 Certificate IV in Public Safety (Aquatic Search and Rescue Management) and a number of other PUA12 Public Safety Training Package qualifications.

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

PUAEMR006B	Treat risk at an operational level
PUAEMR007B	Conduct risk assessment
PUAOHS002B	Maintain safety at an incident scene

Target Group

People responsible for maintaining their own safety and the safety of team members during operational activities in addition to identifying, managing (if safe to do so) and reporting risks and hazards in line with organisational policies.

Suggested words for Statement of Attainment

These units of competency from the PUA12 Public Safety Training Package meet the industry requirements to ensure the safety of surf patrol teams and to apply risk management approaches at an operational level.

Disclaimer

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.
