

**Australian Government**

# **SHB30321 Certificate III in Nail Technology**

**Release 1**

# SHB30321 Certificate III in Nail Technology

## Modification History

Supersedes and is not equivalent to SHB30315 Certificate III in Nail Technology.

## Qualification Description

This qualification reflects the role of individuals employed as nail technicians to provide manicure and pedicure services, including the application of nail art, and acrylic and gel nail enhancements.

These individuals possess a range of well-developed technical and customer service skills where discretion and judgement are required and are responsible for their own outputs. This includes client consultation on nail care products and services. Nail technicians may also be self-employed and responsible for managing their own nail station.

Work is typically conducted in nail and beauty salons.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

15 units must be completed:

- 10 core units
- 5 elective units, consisting of:
  - 1 unit from Group A: Infection control
