TLISS00162 Driving Instructor Skill Set

Release 3

TLISS00162 Driving Instructor Skill Set

Modification History

Release 3. This is the third release of this Skill Set in the TLI Transport and Logistics Training Package with the following updated:

- Pathway information
- TAEASS412 Assess competence.

Release 2. Updated imported units.

Release 1. New Skill Set.

This Skill Set replaces but is equivalent to the TLISS00009 Driving Instructor Skill Set.

Description

This Skill Set reflects the work required by assessors who train and assess learner drivers/riders prior to issuance of a driver/motorcycle licence. It is also for assessors/examiners who assess drivers upgrading their licences in the heavy vehicle classes.

Pathways Information

TLISS00162 Driving Instructor Skill Set is part of the TLI Transport and Logistics Training Package and is a pathway to the Certificate IV in Motor Vehicle Driver Training.

Licensing/Regulatory Information

Candidates should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements. Individuals seeking certification should check with the relevant state/territory regulator.

Skill Set Requirements

A total of **1 unit of competency** must be attained.

TAEASS412 Assess competence

Target Group

This Skill Set is for people interested in training and assessing learner drivers/riders, and for assessors/examiners who assess drivers upgrading their licences in the heavy vehicle classes.

Suggested words for Statement of Attainment

This TLISS00162 Driving Instructor Skill Set from the TLI Transport and Logistics Training Package meets the industry and regulatory requirements for assessors who train and assess learner drivers/riders prior to issuance of a driver/motorcycle licence and for assessors/examiners who assess drivers upgrading their licences in the heavy vehicle classes.
