# **TLISS00007 Coordinate Multiple Work Groups Skill Set**

**Release 3**

## **TLISS00007 Coordinate Multiple Work Groups Skill Set**

### **Modification History**

Release 3

This is the third release of this skill set in TLI10 Transport and Logistics Training Package Version 3.0.

Unit revised. Equivalent to previous version of the skill set.

### **Description**

This skill set targets anyone required to plan and coordinate protection for multiple work groups as part of their job role of coordinating protection officer/possession protection officer. This skill set is only to be completed in addition to one or more skill sets for the role of protection officer or possession protection officer.

### **Pathways Information**

### **Licensing/Regulatory Information**

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

## Skill Set Requirements

A total of **1 unit** of competency must be completed.

### Unit/s

<b>TLIL4069A</b>	<b>Plan and coordinate protection for multiple worksites within the limits of a work on track authority</b>
------------------	---

## Target Group

This is a skill set used in the role of coordinating protection officer/coordinating possession protection officer within the general rail infrastructure environment that is required to plan and coordinate protection for multiple work groups.

## Suggested words for Statement of Attainment

This competency from the TLI10 Transport and Logistics Training Package (Version 3) meets the needs of coordinating protection officer/coordinating possession protection officer duties. The competency is drawn from a nationally endorsed Training Package, and provides the skills and knowledge for a person working as a coordinating protection officer/coordinating possession protection officer operating within the general rail infrastructure environment.
