TLISS00030 Lookout Working Skill Set

Release 3

TLISS00030 Lookout Working Skill Set

Modification History

Release 3

This is the third release of this skill set in TLI10 Transport and Logistics Training Package Version 3.0.

Units revised. Equivalent to previous version of the skill set.

Description

This skill set targets anyone required to perform lookout duties and while it is not aligned to any specific qualification and can be achieved separately, it is normally not a full time activity.

Pathways Information

Licensing/Regulatory Information

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of **2 units** of competency must be completed.

Unit/s	
TLIF2080C	Safely access the rail corridor
TLIF2081B	Perform lookout duties

Target Group

This is a skill set covering the role of lookout within the general rail infrastructure environment.

Suggested words for Statement of Attainment

These competencies from the TLI10 Transport and Logistics Training Package (Version 3) meet the needs of lookout working. The competencies are drawn from a nationally endorsed Training Package, and provide the skills and knowledge for a person working as a lookout operating within the general rail infrastructure environment.
