Release: 2

TLISS00046 Road Safety Skill Set

Modification History

Not Applicable

Description

Not Applicable

Pathways Information

This skill set is not aligned to any specific qualification but may be used to support road use and road safety qualifications.

Licensing/Regulatory Information

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of **6 units** of competency must be completed to obtain the skill set.

Unit/s	
TLIF0075A	Demonstrate awareness of interacting with other road users
TLIF0076A	Demonstrate awareness of factors to reduce road harm
TLIF0077A	Demonstrate knowledge of risk factors and consequences in interacting with other road users
TLIF0078A	Recognise motor vehicle road crash risks and post crash actions
TLIF0079A	Select a safe vehicle
TLIF2010A	Apply fatigue management strategies

Target Group

This skill set provides a basic introduction to road safety on the road for those interacting with other road users. It is intended for use by year 10 through to year 12 students to equip them with a broader knowledge of the underpinning concepts of road use and road safety. This skill set may support other road safety or road use programs.

Suggested words for Statement of Attainment

The skill set competencies meet the needs of year 10 through to year 12 students. The competencies are drawn from a nationally endorsed Training Package, and provide the basic knowledge for a person who requires road safety and road use training.
