# **TLISS00050 Track Grinding Skill Set**

**Release: 2**

## **TLISS00050 Track Grinding Skill Set**

### **Modification History**

Not Applicable

### **Description**

Not Applicable

### **Pathways Information**

This skill set is to be undertaken in addition to the core units from the Certificate II in Rail Infrastructure (Track Work) and targets those rail track workers who will also carry out grinding operations.

### **Licensing/Regulatory Information**

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.

## Skill Set Requirements

A total of **1 unit** of competency must be completed.

Unit/s
<b>TLIW2012A</b> <b>Grind rails</b>

## Target Group

This is a skill set covering the requirements to grind rail within the general rail infrastructure environment.

## Suggested words for Statement of Attainment

This competency from the TLI10 Transport and Logistics Training Package (Version 2) meets the needs of track grinding operations. The competency is drawn from a nationally endorsed Training Package, and provides the skills and knowledge for a person working as a track grinder operating within the general rail infrastructure environment who will also grind rails as part of their job role.
