UEESS00180 Electrical - Plan, Manage and Report on Electrical Projects Skill Set

Release 1

UEESS00180 Electrical - Plan, Manage and Report on Electrical Projects Skill Set

Modification History

Release 1: This is the first release of this Skill Set in the UEE Electrotechnology Training Package.

This Skill Set replaces and is equivalent to UEESS00125 Electrical - Plan, Manage and Report on Electrical Projects Skill Set.

Description

This Skill Set covers skills, knowledge and work performance requirements to allow qualified electricians to plan electrotechnology projects, apply work health and safety (WHS)/occupational health and safety (OHS) regulations, industry standards and codes of practices in the workplace, compile and produce an energy sector detailed report, and manage large electrical projects.

Pathways Information

The units of competency in this Skill Set will contribute to the completion of relevant Diploma and Advanced Diploma qualifications from the UEE Electrotechnology Training Package.

Entry Requirements

It is essential that persons undertaking this Skill Set already hold the following:

- UEEL0039 Design, install and verify compliance and functionality of general electrical installations

OR

- a current 'Unrestricted Electrical Licence' issued in an Australian state or territory.

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

A total of **4 units** of competency must be attained.

UEECD0007	Apply work health and safety regulations, codes and practices in the workplace
-----------	--

UEECD0010	Compile and produce an energy sector detailed report
UEECD0029	Plan electrotechnology projects
UEEEL0015	Manage large electrical projects

Target Group

This Skill Set is intended for persons who are required to plan, manage and report on electrical projects within the energy sector.

Suggested words for Statement of Attainment

This Skill Set from the UEE Electrotechnology Training Package meets the industry requirements for planning, managing and reporting on electrical projects.

Custom Content Section

Not applicable.
