# Assessment Requirements for ACMACR407 Conduct community awareness programs

## Modification History

Release	Comments
Release 1	This version released with ACM Animal Care and Management Training Package Version 1.0.

## Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has conducted at least two community awareness programs that were delivered to two different audiences, or two different programs, and:

- included consultation with the community to determine needs and expectations
- included contribution to the development or improvement of community awareness programs and associated materials
- conducted research and gathered materials to develop programs for presentation
- used relevant presentation equipment, materials and aids
- presented programs to the community using effective public speaking and communication techniques
- gathered community feedback and evaluated the delivery of programs.

## Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- how data collection methods support the development of materials
- the legislation relevant to the subject matter of the presentations
- organisational policies and procedures relating to presenting information to the public
- techniques to aid learning for children and adults in the audience of community awareness presentations
- legislation relevant to animal control and regulation
- presentation aids and materials to support presentations
- existing community awareness programs relevant to animal control and regulation.

## Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
  - skills must be demonstrated in a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
  - audiovisual presentation equipment.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
