Assessment Requirements for ACMGAS210 Prepare for and conduct a tour or presentation

Assessment Requirements for ACMGAS210 Prepare for and conduct a tour or presentation

Modification History

Release	Comments
Release 1	This version released with ACM Animal Care and Management Training Package Version 1.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has prepared for and conducted a tour or presentation for two different groups, including:

- communicated effectively with a wide range of people
- listened and responded to enquiries from members of the public
- accurately recorded the animals' behaviour and food intake, and reported results to the supervisor.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- effective group presentation techniques
- safe and humane animal handling and restraint techniques
- sources of information appropriate to presentation
- WHS and animal welfare legislative requirements and codes of practice
- hazards of working with animals and appropriate risk treatments.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
  - an environment that accurately reflects a real workplace setting
- resources, equipment and materials:
  - a range of animals
  - equipment and resources appropriate to work undertaken in an animal care environment

- specifications:
    - access to organisational policies and procedures
    - current WHS and animal welfare legislation and regulations
- relationships (internal and/or external):
    - interactions with supervisor
    - different audiences.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
