**Assessment Requirements for
ACMGEN315 Communicate effectively
with clients and team members**

Release: 1

Assessment Requirements for ACMGEN315 Communicate effectively with clients and team members

Modification History

Release	Comments
Release 1	This version released with ACM Animal Care and Management Training Package Version 4.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has:

- communicated effectively on a minimum of three different occasions, including each of the following:
 - interacted appropriately with clients in writing using digital media
 - interacted appropriately with a client or industry representative by telephone
 - participated actively in a team meeting.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- models of effective communication across a range of modes, including written, verbal, electronic and digital
- the role of non-verbal communication
- effective communication principles for working in a team
- conflict resolution techniques
- social media platforms used for business
- ways to show empathy and support those in distress
- appropriate industry language and terminology
- communication systems, procedures and technology commonly used in workplaces
- confidentiality and privacy legislation, regulations and protocols.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - a workplace or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - communication equipment and resources appropriate to work undertaken
- specifications:
 - access to organisational policies and procedures
- relationships:
 - interactions with team members.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
