Release 1

ACMSS00039 Prepare To Work Safely Around Horses Skill Set

Modification History

Release	Comments
Release 1	This version released with ACM Animal Care and Management Training Package Version 5.0.

Description

This skill set is designed to provide the skills and knowledge to understand and interpret horse behaviour and body language to minimise risks to self, others and horses when working around horses, but does not involve direct handling of horses.

Pathways Information

This unit of competency provides credit toward *ACM20121 Certificate II in Animal Care*.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

- ACMEQU214 Prepare to work safely around horses

Target Group

This skill set is for workers who work around horses, in industries involving horses, but do not directly handle horses. These roles may include administration, finance, marketing, customer service, catering, facility management, equipment repair and support roles at equine events.

Suggested words for Statement of Attainment

This competency from the *ACM Animal Care and Management Training Package* meets industry requirements to work safely around horses in an equine workplace, not involving direct handling of horses.
