ACMSS00041 Transport Horses Using a Road Vehicle Skill Set

Release 1

ACMSS00041 Transport Horses Using a Road Vehicle Skill Set

Modification History

Release	Comments
Release 1	This version released with ACM Animal Care and Management Training Package Version 5.0.

Description

This skill set is designed to provide the skills and knowledge to safely transport horses using a road vehicle, including planning, loading and unloading with consideration for animal welfare requirements. Users of this skill set do not necessarily have to drive the transport vehicle.

Pathways Information

These units of competency provide credit toward *ACM20221 Certificate II in Horse Care and ACM30821 Certificate III in Horse Care.*

Licensing/Regulatory Information

No vehicle licensing is required for individuals undertaking the work described in this skill set. Where an individual is the nominated transport vehicle owner or driver, state and territory legislation, regulations, licencing and registration apply.

Skill Set Requirements

An asterisk (*) next to the unit code indicates that there are prerequisite requirements which must be met as part of the skills set requirements. Please refer to the Prerequisite requirements table for details:

- ACMEQU212 Handle horses safely
- ACMEQU217* Load and unload horses
- ACMEQU308* Transport horses using a road vehicle
- ACMGEN303 Assess the welfare status of an animal

Prerequisite requirements

Unit of competency	Prerequisite requirement
ACMEQU217 Load and unload horses	ACMEQU212 Handle horses safely

ACMEQU308 Transport horses using a road vehicle	ACMEQU212 Handle horses safely

Target Group

This skill set is for drivers of horse transport vehicles and other workers involved in transporting horses by road that may work at an equine workplace or a horse or livestock transport company. They are required to handle and care for horses as part of the loading, transporting and unloading of horses.

Suggested words for Statement of Attainment

These competencies from the *ACM Animal Care and Management Training Package* meet industry requirements to safely transport horses using a road vehicle, including planning, loading and unloading with consideration for animal welfare requirements.
