Qualification Description

This qualification is an entry-level qualification aimed at individuals entering the permaculture industry. It allows individuals to develop basic skills and knowledge to prepare for work as a permaculture assistant. Permaculture assistants may undertake a range of simple tasks under close supervision. The range of technical skills and knowledge is limited.

The qualification is suited to VET delivered to secondary school students or learners with no previous connection to permaculture or relevant employment history.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 6 units of competency:
 - 4 core units plus
