Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 10.0.

Qualification Description

This qualification describes the skills and knowledge for supporting job roles in the nursery industry including production nursery assistant, production nursery worker, retail nursery sales assistant and retail nursery maintainer.

Individuals with this qualification undertake routine tasks under supervision where the work is predictable and structured with limited judgement requirements.

Work must comply with work health and safety and environmental regulations and legislation that apply to the workplace.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 16 units of competency:
 - 3 core units plus
 - 13 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. Electives can be chosen to provide a general qualification or a qualification with a specialisation.

For the award of the *Certificate II in Nursery Operations* choose:

- at least 10 electives from groups A, B or C
- up to 3 units from the remaining electives listed in groups A, B or C or any currently endorsed Training Package or accredited course packaged at Certificate II or III.

For the award of the *Certificate II in Nursery Operations (Nursery Production)* choose:

- at least 4 electives from Group A
- up to 6 units from the remaining units listed in groups A, B or C
- up to 3 units from the remaining units listed in groups A, B or C, or any currently endorsed Training Package or accredited course packaged at Certificate II or III.

For the award of the *Certificate II in Nursery Operations (Retail Nursery)* choose:

- at least 4 electives from Group B
- up to 6 units from the remaining units listed in groups A, B or C
- up to 3 units from the remaining units listed in groups A, B or C, or any currently endorsed Training Package or accredited course packaged at Certificate II or III.

Where two specialisations are completed, award of the qualification would read (for example), *Certificate II in Nursery Operations (Nursery Production, Retail Nursery)*.
