Qualification Description

This qualification provides an occupational outcome in conservation and land management. Work would be carried out under general guidance and supervision.

The qualification enables individuals to select an Indigenous land management, conservation earthworks, lands, parks and wildlife or natural area management context as a job focus or a mix of these.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

^ From 1 July 2022 the elective units HLTAID002, HLTAID003, HLTAID005 must no longer be delivered and will be replaced in the Packaging Rules by the units HLTAID010, HLTAID011, HLTAID013 - for more information see:
