#### **AHC30722** Certificate III in Horticulture

### **Modification History**

Release	Comments	
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 9.0.	

## **Qualification Description**

This qualification describes the skills and knowledge for general vocational job roles in the amenity horticulture industry.

This qualification is not intended to be used as a substitute for AHC Training Package trade qualifications.

Individuals with this qualification perform tasks under broad supervision involving a broad range of skills that are applied in a wide variety of contexts, which will involve discretion and judgement in selecting and operating equipment, coordinating resources and applying contingency measures during work.

Work must comply with work health and safety and environmental regulations and legislation that apply to the workplace.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## **Entry Requirements**

There are no entry requirements for this qualification.

## **Packaging Rules**

To achieve this qualification, competency must be demonstrated in:

- 17 units of competency:
  - 11 core units plus
  - 6 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- 3 units must be from the electives listed below
- the remaining 3 units must be selected from electives listed below, or any currently endorsed Training Package or accredited course.
