## Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture, Conservation and Land Management Training Package Version 4.0.

## Qualification Description

This qualification describes the skills and knowledge for trade level roles carried out under general direction within sports turf management.

Individuals with this qualification perform tasks autonomously involving a broad range of skills that are applied in a wide variety of sports turf facilities and workplaces. They exercise discretion and judgement in planning tasks, selecting and operating equipment, coordinating resources and applying contingency measures during work.

Legislation related to the installation of irrigation and the storage, handling and application of chemicals applies in some states and territories.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 23 units of competency:
  - 18 core units plus
  - 5 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:
