Qualification Description

This qualification reflects the roles of national parks and wildlife workers who are responsible for conducting a number of functions focusing on the maintenance of natural environments, park infrastructure and services, and stakeholder management. National parks workers will carry out a number of duties to protect, enhance and manage natural environments, recreational and cultural assets. National parks workers will work autonomously, as well as under supervision of a park ranger.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 16 units of competency:
 - 2 core units plus
 - 14 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- Select at least 4 units from Group A

- Select at least 7 units from Group A or Group B
- A maximum of 3 units may be selected from the elective list of Certificates II, III or IV of this or any other endorsed Training Package or Accredited Course
Selected units must be relevant to job outcomes in lands, parks and wildlife and must be chosen to ensure the integrity of the qualification outcome at AQF level 3
