Qualification Description

This qualification reflects the role of workers who are responsible for the administration and day to day business operations of an agricultural or horticultural production enterprise.

At this level, workers may be required to supervise and lead other workers or teams and be involved in some decision-making. Work may take place in a range of industry sectors and in complex, regularly changing environments.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.
