Release: 1

AHC51516 Diploma of Viticulture

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Qualification Description

This qualification is designed to meet the needs of managers in the viticulture industry. There are no formal entry requirements for this qualification. However, the qualification assumes that a learner has current or past work experience where operational or technical skills have already been gained and a production management level of responsibility exists. The qualification is not suitable for direct entry from school. No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

Total number of units = 10

- Core Units = 4
- Elective Units = 6
