## Qualification Description

This qualification reflects the roles of individuals working in a range of agribusinesses. The units covered in this qualification are uniquely contextualised for the agribusiness sector and reflect the need for agribusiness specific management expertise in planning and analysis, financial and human resource management together with an emphasis on sustainability.

This qualification is also suited to the needs of individuals who possess significant theoretical agribusiness skills and knowledge that they would like to further develop in order to create further educational or employment opportunities.

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include:

- Rural and regional agribusiness manager (including lending managers, insurance brokers, machinery dealers, chemical resellers, stock agents, grain marketers, real estate agents)
- Agriculture enterprise business manager
- Production horticulture enterprise business manager

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.
