AHCBAC102 Support agricultural crop work

Release: 1

AHCBC102 Support agricultural crop work

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 7.

Application

This unit of competency describes the skills and knowledge required to provide support to others undertaking agricultural crop production activities.

The unit applies to individuals who work alongside a supervisor and undertake defined routine activities. They exercise limited autonomy and identify and seek help with simple problems.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Broad Acre Cropping (BAC)

Elements and Performance Criteria

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Prepare materials, tools and equipment for agricultural crop work	1.1 Identify materials, tools and equipment required according to supervisor instructions 1.2 Check materials, tools and equipment and report inconsistencies and faulty items to supervisor 1.3 Load and unload materials onto vehicle without damage to load and vehicle 1.4 Select and check personal protective equipment (PPE)

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
	1.5 Identify hazards and report to supervisor according to work health and safety procedures
2. Undertake agricultural crop work as directed	2.1 Follow instructions from supervisor seeking clarification when unclear 2.2 Handle and transport materials, equipment and machinery according to instructions and safety procedures 2.3 Perform cropping work according to safety, environmental and biosecurity procedures 2.4 Communicate with work team in a positive and professional manner 2.5 Maintain a clean and safe work site 2.6 Report work performance and inconsistencies in timelines to supervisor
3. Clean up on completion of cropping work	3.1 Store re-usable materials according to supervisor instructions 3.2 Dispose of waste material according to supervisor instructions 3.3 Clean, maintain and store tools and equipment according to manufacturer specifications and supervisor instructions

Foundation Skills

This section describes those language, literacy, numeracy and employment skills that are essential for performance in this unit of competency but are not explicit in the performance criteria.

Skill	Description
Reading	Interpret documented instructions for work relevant information and identifies inaccuracies for implementing requirements
Oral Communication	Use short simple spoken texts to communicate with work team and supervisor
Numeracy	Estimate weights and measures of materials to ensure safe manual handling and loading of materials
