## AHCBEK202 Use a bee smoker

### Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

### Application

This unit of competency describes the skills and knowledge required to use a bee smoker when undertaking bee husbandry tasks.

This unit applies to beekeepers who work under general supervision and exercise limited autonomy with some accountability for their own work. They undertake defined activities and work in a structured context.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

### Pre-requisite Unit

Nil.

### Unit Sector

Beekeeping (BEK)

### Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Prepare bee smoker for use	1.1 Confirm the activity to undertake with supervisor 1.2 Confirm that climatic and other conditions permit the use of a bee smoker and adjust planned activities where required 1.3 Check bee smoker and components to ensure that they are in good repair and serviceable, and any faults are addressed

Element	Performance criteria
	1.4 Check personal protective equipment for serviceability and ensure correct fit 1.5 Identify hazards associated with the use of a bee smoker and take appropriate steps to minimise risks to self and others 1.6 Make sure there is an adequate water supply and tools available for fire control 1.7 Assess weather conditions, nectar flow and strain of bee to interprets defensive behaviour of colony 1.8 Add suitable fuel to bee smoker and light it 1.9 Operate bee smoker bellows to produce and maintain a steady and dense stream of cool smoke
2. Use bee smoker to manage bees	2.1 Blow smoke into entrance of hive and allow sufficient time before hive is opened 2.2 Puff additional smoke over frames and supers after hive is opened and direct smoke at bees 2.3 Ensure bees remain under control while working on hives by placing smoker within easy reach, keeping it alight and producing cool smoke until operations are complete 2.4 Place bee smoker in a cleared spot when not in use and have fire extinguishment materials and equipment on hand

## Foundation Skills

Foundation Skills essential to performance are explicit in the performance criteria of this unit of competency.

## Range of Conditions

## Unit Mapping Information

This unit is equivalent to AHCBEK202A Use a bee smoker.
