AHCBEK404 Provide bee pollination services

Release: 1

AHCBEK404 Provide bee pollination services

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Application

This unit of competency describes the skills and knowledge required to provide bee pollination services. This unit applies to beekeepers who analyse information and exercise judgement to complete a range of advanced skilled activities and demonstrate deep knowledge in a specific technical area.

They have accountability for the work of others and analyse, design and communicate solutions to a range of complex problems.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil.

Unit Sector

Beekeeping (BEK)

Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Assess pollination service requirement	1.1 confirm with client the pollination services to be provided 1.2 Determine number and types of colonies required for crop 1.3 Assess strength and condition of bee colonies for their suitability for use as crop pollinators

Element	Performance criteria
	1.4 Assess risk of pollination problems with client and agree and establish process to monitor risk 1.5 Provide technical information to client
2. Price and formalise agreement for pollination services	2.1 Identify and calculate costs in providing pollination services 2.2 Confirm with client the price for pollination services 2.3 Make and document formal agreement with client
3. Monitor pollination performance of bee colonies	3.1 Liaise with client on spraying programmes 3.2 Monitor crop within appropriate timeframe for evidence of bee foraging and pollination efficiency 3.3 Take remedial action where required 3.4 Demonstrate hive strength and condition to client 3.5 Maintain swarm control 3.6 Carry out bee husbandry practices
4. Comply with industry and legislative requirement	4.1 Obtain appropriate health certificates and permits where bees are to be moved across state borders 4.2 Follow appropriate pollination code of practice 4.3 Comply with all Apiary Acts and other relevant Acts and regulations and local government regulations affecting beekeeping

Foundation Skills

Foundation Skills essential to performance are explicit in the performance criteria of this unit of competency

Range of Conditions

Unit Mapping Information

This unit is equivalent to AHCBEK404A Provide bee pollination services.
