The candidate must provide evidence that they can:

- determine the scope and desired business outcomes of the strategic plan
- analyse the competitive environment
- document performance measures to address all key aspects of enterprise performance
- evaluate opportunities and the viability and feasibility of the production, business and marketing plans
- document, monitor and review the strategic plan
- set the goals and direction for the business
- communicate strategic direction.

Knowledge Evidence

The candidate must demonstrate knowledge of:

- the external environment
- market forces
- resource availability and accessibility
- feasible enterprises and opportunities
- business structures
- business analysis and forecasting
- value adding concepts
- strategic planning methodologies
- data collection and analysis methods
- risk management techniques
- legislation and by-laws relevant to the organisations operation and potential expansion
- organisational design and change processes.

Assessment Conditions

Competency is to be assessed in the workplace or simulated environment that accurately reflects performance in a real workplace setting.

Assessors must satisfy current standards for RTOs.
