Assessment Requirements for AHCCCF405 Develop community networks

Release: 1

Assessment Requirements for AHCCCF405 Develop community networks

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- develop community networks
- investigate equity requirements and cultural protocols for dealing with community groups
- establish networks of common interests through individual contacts and contacts with other groups
- promote program goals and issues to community groups through networking
- make presentations to diverse groups of people
- communicate with people using appropriate language and style.

Knowledge Evidence

The candidate must demonstrate knowledge of:

- community structures, organisations and cultures
- relevant government community action programs
- process of delivery of programs
- current social and environmental affairs for local community and wider region
- need for the establishment of a community group
- group goals.

Assessment Conditions

Assessors must satisfy current standards for RTOs.
