## Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- review existing planning documents and sources of information to inform the plan
- identify land management issues and potential solutions
- identify stakeholders to form discussion groups and seek individual input to planning
- organise for the collection and analysis of data to inform planning and monitor progress
- work with stakeholders and technical advisers to develop goals and performance criteria
- develop a draft plan for widespread consultation and feedback
- finalise the regional resource management plan

## Knowledge Evidence

The candidate must demonstrate knowledge of:

- broad geographic indicators with particular emphasis on the region
- regional and rural planning concepts from town planning, rural industry planning, and natural resource planning perspectives
- impact of government processes and industry activities in social and economic terms
- consultative techniques
- National, State and Local policies, procedures and legislation that applies to regional planning
- natural resource management and issues

## Assessment Conditions

Assessors must satisfy current standards for RTOs.
