Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- read, interpret and apply information from a site plan
- prepare the site for paving
- lay bedding material
- lay pavers to pattern
- clean up the site and dispose of waste

Knowledge Evidence

The candidate must demonstrate knowledge of:

- the principles and practices of paving
 - methods of disposing of soil and waste materials
 - pavers
 - paving styles and methods
 - site layout and planning
 - the potential environmental impact of a paving project
 - the types of signs and barriers that need to be erected around an area to be paved

Assessment Conditions

Assessors must satisfy current standards for RTOs.
