Release: 1

AHCLSC206 Assist with landscape construction work

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 7.0.

Application

This unit of competency describes the skills and knowledge required to assist with landscape works, including preparing for and undertaking landscape construction work as directed, handling materials and equipment, and clean up on completion of landscaping work in public, commercial and domestic situations.

The unit applies to individuals who assist with landscape construction work under general supervision with limited autonomy or accountability.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit
