AHCLSK420 Provide advice on livestock products

Release: 1

AHCLSK420 Provide advice on livestock products

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 6.0.

Application

This unit of competency describes the skills and knowledge required to identify customer needs and provide advice on livestock products.

The unit applies to individuals who apply specialist skills and knowledge to providing advice on livestock products, including industry equipment, animal handling systems and stock feeds. This includes applying and communicating non-routine technical solutions to predictable and unpredictable problems.

All work must be carried out to comply with workplace procedures, health and safety in the workplace requirements, legislative and regulatory requirements, animal welfare legislation, and sustainability and biosecurity practices.

No licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Livestock (LSK)
