Application

This unit of competency describes the skills and knowledge required to undertake work using a side by side utility vehicle used for general transport, carrying loads, towing small trailers and mustering stock.

All work must be carried out to comply with workplace procedures, work health and safety requirements manufacturer's specifications and sustainability practices.

This unit applies to individuals who work under general supervision and exercise limited autonomy with some accountability for their own work. They undertake defined activities and work in a structured context.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil.

Unit Sector

Machinery operation and maintenance (MOM)

Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Prepare side by side utility vehicle for use	1.1 Confirm the activity to be undertaken with supervisor, including identifying safe working areas, potential hazards and implementation of safe working procedures 1.2 Conduct safety pre operational checks on the vehicle and report faults or malfunctions for repair 1.3 Use and maintain personal protective equipment

Element	Performance criteria
	1.4 Attach equipment and loads that do not exceed the weight limitations or change the dynamic stability of the vehicle 1.5 Secure loads and ensure weight does not exceed limits
2. Operate side by side utility vehicle	2.1 Operate machinery and equipment in a safe, efficient and controlled manner 2.2 Operate side by side utility vehicles in accordance with task requirements, conditions and manufacturers operating guidelines 2.3 Assess and minimise potential risks to self, others and the environment 2.4 Ensure that the vehicles seat belts and other safety features are functional and used 2.5 Identify and account for environmental implications associated with machinery operation
3. Complete work	3.1 Conduct shut-down procedures according to manufacturer's specifications and enterprise requirements 3.2 Perform routine operational servicing and minor maintenance 3.3 Identify and report malfunctions, faults, irregular performance or damage 3.4 Clean, secure and store machinery 3.5 Ensure biosecurity procedures are followed where required 3.6 Maintain machinery use records for servicing purposes

Foundation Skills

Foundation Skills essential to performance are explicit in the performance criteria of this unit of competency.

Range of Conditions

Unit Mapping Information

This unit is equivalent to AHCMOM211A Operate side by side utility vehicles.
