Release: 1

AHCNSY102 Support nursery work

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 6.0.

Application

This unit of competency describes the skills and knowledge required to undertake routine nursery work under direct supervision and to support the nursery work of others.

The unit applies to individuals who support nursery work while working alongside a supervisor, exercising limited autonomy within established and well known parameters. They identify and seek help with simple problems.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit
