**Release: 1**

# Assessment Requirements for AHCPER410 Recommend approaches for sustainable community and bioregional development

## Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

## Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- identify and modify procedures and processes
- write materials appropriate to audience
- identify cultural protocols
- consult with community groups

## Knowledge Evidence

The candidate must demonstrate knowledge of:

- sustainable community and bioregional development, such as:
  - local food security initiatives
  - community gardens and city farms
  - climate action and energy descent initiatives
  - transition towns programs
  - community education and outreach
  - local economy and trade including complementary currencies
  - sustainable enterprise and business development
  - social wellbeing and welfare services
  - renewable energy production
  - landcare and environment programs
  - sustainable agriculture and land use
  - sustainable forestry and reforestation
  - catchment and water resources management

- sustainable development and housing
- waste reduction and recycling
- principles governing sustainable community and bioregional development
- sources of relevant materials and verbal information
- cultural protocols and perspectives, such as:
  - beliefs, religion & taboos
  - world views (mythological, political, social, biological)
  - acceptable modes of communication/language
  - body language
  - concepts of family and community
  - community leadership
  - relationships between community members, ages and sexes
  - acceptable modes of dress
- relevant legislation and guidelines
- principles of equal opportunity and affirmative action
- community governance, financial systems, legal and health systems
- current relationships between culturally diverse groups in the area
- understanding of the role of various sections of the community in historical and relationship terms

## Assessment Conditions

Assessors must satisfy current standards for RTOs. Assessors must also have a nationally accredited Certificate IV or Diploma of Permaculture. Completion of a Permaculture Design Course (PDC) or non-accredited Permaculture Diploma is not sufficient at this level.
