Assessment Requirements for AHCPGD501 Manage plant cultural practices

Release: 1

Assessment Requirements for AHCPGD501 Manage plant cultural practices

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting.

The candidate must provide evidence that they can:

- allocate resources
- contract specialist services
- determine plant cultural requirements
- develop a plant cultural program and budget documentation
- manage contingencies
- plan schedule of operations
- supervise, monitor and appraise the performance of work team and contracted services

Knowledge Evidence

The candidate must demonstrate knowledge of:

- principles and practices of plant cultural practice management
 - budgeting and planning
 - operation and maintenance of irrigation systems
 - plant anatomy, physiology, morphology, taxonomy and nomenclature
 - plant cultural practices
 - plant identification and selection
 - plant maintenance practices
 - plant nutrition requirements and practices
 - soil types, properties, field tests and sampling techniques

Assessment Conditions

Assessors must satisfy current standards for RTOs.
