AHCPTH101 Support horticultural production

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Application

This unit of competency describes the skills and knowledge required to prepare materials, tools and equipment for work; complete routine horticulture production assistance work, including the safe use and operation of farm tools and equipment; clean up and dispose of waste consistent with environmental and enterprise requirements.

This unit applies to individuals who work alongside a supervisor in most situations and exercise limited autonomy within established and well known parameters. They identify and seek help with simple problems.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil.

Unit Sector

Production horticulture (PHT)

Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Prepare materials, tools and equipment for horticultural production work	1.1 Select materials, tools and equipment according to lists provided or supervisor's instructions 1.2 Conduct checks on all materials, tools and equipment and report faulty items 1.3 Demonstrate correct manual handling techniques when loading and unloading materials 1.4 Select and check suitable personal protective equipment (PPE)

Element	Performance criteria
	1.5 Provide work support safely and as instructed 1.6 Identify and report workplace hazards
2. Undertake horticultural production work as directed	2.1 Follow instructions and directions provided by supervisor and seek clarification when necessary 2.2 Interact with other staff and customers in a positive and professional manner 2.3 Follow enterprise policy and procedures in relation to workplace practices, handling and disposal of materials 2.4 Report problems or difficulties in completing work to required standards or timelines
3. Clean up on completion of work	3.1 Return materials to store and dispose of waste materials 3.2 Clean, maintain and store tools and equipment 3.3 Report work outcomes

Foundation Skills

Foundation Skills essential to performance are explicit in the performance criteria of this unit of competency.

Range of Conditions

Unit Mapping Information

This unit is equivalent to AHCPTH101A Support horticultural production.
