Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- communicate with clients and others
- keep workplace records
- prepare, maintain and update a seed collection for the identification of seeds
- source new materials

Knowledge Evidence

The candidate must demonstrate knowledge of:

- enterprise Standard Operating Procedures (SOPs)
- quarantine and isolation procedures
- relevant health, safety and environment requirements
- seed biology
- seed reference collections - what they are, when and why they should be used
- storage requirements of different seed varieties
- taxonomic nomenclature

Assessment Conditions

Assessors must satisfy current standards for RTOs.
