Release: 1

AHCSHG212 Assist in preparing for shearing and crutching

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Release 11.0.

Application

This unit of competency describes the skills and knowledge required to assist the owner or Wool Classer or supervisor in the preparation of sheds and facilities prior to shearing and crutching operations.

This unit applies to individuals who work under general supervision and exercise limited autonomy with some accountability for their own work.

All work must be carried out to comply with workplace procedures and standards, and state/territory health and safety regulations, legislation and codes of practice.

No licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Shearing (SHG)
