Assessment Requirements for AHCTRF201 Assist with turf construction

Release: 1

Assessment Requirements for AHCTRF201 Assist with turf construction

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- clean, maintain and store turf construction machinery and equipment
- follow procedures and sequence work during the course of the construction
- use a range of turf construction machinery and equipment
- work in a team on a turf construction project

Knowledge Evidence

The candidate must demonstrate knowledge of:

- principles and practices of turf construction
 - different soil preparations for construction
 - effective and safe use of tools and machinery
 - influences on the selection of tools, machinery and safety equipment
 - irrigation and/or drainage installation procedures and operational techniques
 - purpose of turf construction in maintaining turf presentation
 - relationship between a well-constructed soil profile for the quality and appearance of the turf

Assessment Conditions

Assessors must satisfy current standards for RTOs.
