Assessment Requirements for AHCTRF302 Establish turf

Release: 1

Assessment Requirements for AHCTRF302 Establish turf

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- demonstrate turf establishment by sowing, turf laying, sprigging and chaffing/stolonization
- determine turf establishment methods and requirements
- implement successful turf establishment works
- operate and store turf establishment machinery and equipment
- organise work and use tools, equipment and machinery for a turf establishment project

Knowledge Evidence

The candidate must demonstrate knowledge of:

- principles and practices for establishing turf:
 - common weeds, pests and diseases
 - fertiliser use and application
 - soils and turf nutrition
 - turf identification and growth characteristics
 - turf establishment methods
 - watering practices

Assessment Conditions

Assessors must satisfy current standards for RTOs.
