Release: 1

AHCWRK408 Provide information on issues and policies

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 9.0.

Application

This unit of competency describes the skills and knowledge required to provide information on issues and policies, including processing a request for information, and identifying, researching, extracting and recording information in a document or correspondence.

The unit applies to individuals who apply specialist skills and knowledge to provide information on issues and policies. This includes applying and communicating non-routine technical solutions to predictable and unpredictable problems.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit
