AHC10110 Certificate I in Conservation and Land Management

Release: 1

AHC10110 Certificate I in Conservation and Land Management

Modification History

Not Applicable

Description

This qualification is an entry-level qualification aimed at individuals entering the conservation and land management industry. It allows individuals to develop basic skills and knowledge to prepare for work. They may undertake a range of simple tasks under close supervision. The range of technical skills and knowledge is limited.

The qualification is suited to VET in Schools programs or learners with no previous connection to the conservation and land management industry or relevant employment history.

Pathways Information

Qualification pathways

Pathways into the qualification

This qualification may be accessed by direct entry.

Pathways from the qualification

Further training pathways from this qualification include, but are not limited to, Certificate II in Conservation and Land Management or Certificate II in Rural Operations.

Licensing considerations

There are no specific licences that relate to this qualification.

Job roles

There are no specific job outcomes to this qualification, but the skills achieved will assist in successfully undertaking a Certificate II pre-vocational program or job outcome qualification, or will facilitate entry into an Australian Apprenticeship.
