AHCILM201A Maintain cultural places

Release: 1

AHCILM201A Maintain cultural places

Modification History

Not Applicable

Unit Descriptor

| | |
|------------------------|--|
| Unit descriptor | This unit covers the process of maintaining cultural places as instructed by supervisors and defines the standard required to: assess the level of work required to maintain the cultural place; carry out maintenance activities in accordance with organisational and cultural requirements; report deterioration or damage to place; report incidents of breaches of legislation including vandalism. |
|------------------------|--|

Application of the Unit

| | |
|--------------------------------|---|
| Application of the unit | This unit applies to working under routine supervision and may involve operating in a team environment with deference to elders. Note: For Indigenous cultural places, the delivery and assessment against this standard must comply with community protocols and guidelines and be supported by elders and custodians of country. |
